Our Mission - Helping Wounded Veterans

The Xtreme Couture GI Foundation, a 501 (c) 3 non-profit corporation, was founded by Randy Couture in 2009 to honor the veterans of America's armed forces. The foundation was especially formed to raise money and awareness to help those wounded in action and their families.

Many of the injuries are traumatic amputations, gunshot wounds, burns and blast injuries that will retire these brave men and woman from the armed forces. Each year Randy Couture visits Walter Reed National Military Medical Center and with their help identifying candidates we write \$10K checks to families in need.

With your donations you can rest assured it is going directly to help a soldier.

Founder - Randy Couture

" I wore Army green for 6 years and I know the sacrifice and courage these brave men and women take everyday to uphold our nations military doctrine and protect the American way of Life "
